

Program Rules

- Qualifying purchase must be new. Products that are used, rebuilt, rented, leased, exchanged, won as a prize, get one free offer, or purchased at auction or online auction are **not** eligible.
- Qualifying equipment must be purchased & installed between January 1st – December 31st of current calendar year.
- Rebate application must be **postmarked no later than January 31st** of the following year to qualify for a rebate.
- Installation address must have Colorado Springs Utilities (Utilities) water service.
- Paid purchase receipts must clearly identify the approved equipment and include date of purchase, equipment purchase price, make/model, and quantity purchased. Rebate application(s) must be complete and include a copy of the paid invoice.
- Utilities is not responsible for lost, late, damaged, illegible, misdirected or postage-due applications.
- Rebates are issued as a **credit** to the Utilities service account and may take up to eight (8) weeks to process.
- Only sole proprietorship businesses are required to complete the Affidavit of Legal Residency.
- All terms, conditions and rules of the program are subject to change.
- This rebate is for retrofit applications only and does not apply to new construction.
- Smart irrigation controller must be WaterSense certified.
- Sprinkler heads and nozzles must be from our list of qualifying equipment.
- Qualifying purchases do not guarantee approval of a rebate. **Rebates are offered on a first come, first served basis and are subject to availability of funds.**
- Nonpotable water customers are eligible to receive 40% of rebate amount for qualifying products. Maximum rebate amounts per customer still apply.
- Utilities reserves the right to verify compliance with these terms, including but not limited to a physical site review. If review deems qualifying equipment was not installed, Utilities reserves the right to remove the non-complying participant from the program and the amount rebated will be charged back to the utility account.
